**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My ISP and phone service provider is and has been for some years Sonic. I chose to go with them after a number of years with a "major" ISP and have been glad to have done so.

On the rare occasions it's been needed, service has been much more prompt and the people knowledgeable. This is especially important given my computers use neither Windows nor Mac operating systems.

I'm grateful to have been able to choose among competitors in this field and would not wish to be forced to return to one of the larger providers.

Please do nothing to make Sonic less competitive and thus reduce my choices.
